4CU Thanksgiving Rally 2015
Elephant Butte Lake State Park
Truth or Consequences, NM
25-29 November 2015

Hosts: John & Sylvia Blan and Terry Rich & Greg Schmuker
Rally Fee: $10/Adult
Camping Fee: $14/night paid directly to Park on arrival (NM Camping Passes apply)

Join with your 4CU friends and family for the 2015 4CU Thanksgiving Rally to be held at Elephant Butte Lake State Park in Desert Cove Campground. We know that Thanksgiving is a family holiday so we are designating the rally as a Buddy Rally which means we can invite friends and family with non-Airstream RVs to join us in the fun. And if you can’t make it for Thanksgiving Day, you are welcome to join us on Friday for the balance of the weekend.

Desert Cove Campground is a circular loop with sites on the parameter and a few sites near one of 3 pavilions. All sites have water and electric service…most sites have individual grills, fire rings and shelters. Desert Cove accommodates 17 rigs. One or two of these may be occupied by volunteers. If we end up with more rigs than sites, the neighboring campground, Quail Run, is available on a first-come-first-served basis…also with water & electric hookups and within a stone’s throw of Desert Cove. Desert Cove has a bathroom/shower building that services both Desert Cove and Quail Run, and there is a double dump station just outside the entrance to Desert Cove. While the campground is not at the water’s edge (none of the developed campgrounds are) we have access to beach by car for boating, kayaking and canoeing. Please bring firewood if you can. Dogs are welcome as always, but please leave them at your rig during food events. Dogs must be kept on leash (no exceptions) and you must clean up after them (no exceptions). There is no Poop Fairy.
